

Photography West Reservation System How to Create an Account

Before members can sign up to monitor, attend a workshop, reserve equipment or the still life studio, they must create a reservation system account and have a password.

This is a one-time event. Once a member has a user ID and password, it will be used for all scheduling activities listed above.

Below is a summary of how to create your account. On the following pages are step-by-step instructions including photos of the screens you see when you create your account.

1. Go to the club website at photography.scwclubs.com
2. Click the “Sign Up/Equipment Winter” tabs in the menu bar.
3. Click any equipment button to get started. Don’t worry; you do not have to actually sign up to use any equipment. This will eventually lead you to the page where you will create your account.
4. Next click on any blue, underlined equipment schedule listed on the page. For example, you could select Scanners - Winter (Mid September through mid May).
5. Now click on “Create a new user account”
6. Fill in your email address and a password – and write it down.
7. Fill in your name and telephone number
8. Add your Rec. card number; it will be compared to a database to confirm your membership.
9. Click Create at the bottom of the screen.
10. Complete the security verification.
11. Finally agree to the Terms of Service. You’re done!

This may look a bit complex but it will only take a few of minutes to complete.

Detailed step by step guide for club members to setup an account.

1. Go to the club website at photography.sceclubs.com
2. Click on the “Sign Up/Equipment Winter” tab

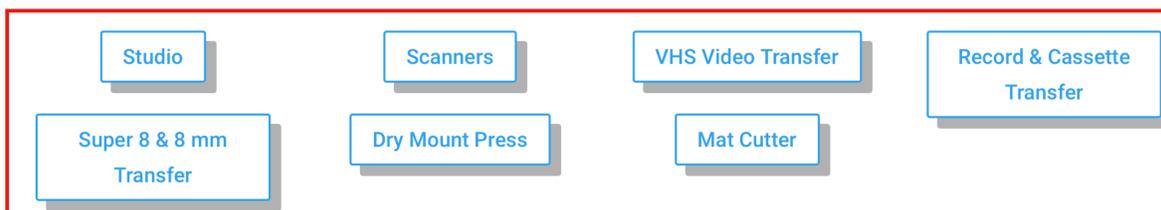

3. Click on any equipment signup button. Don't worry ; you will not actually have to signup for a piece of equipment. This will eventually lead you to the page where you will create your account.

During the pandemic masks are required in the club room. The equipment is set up to enforce social distancing.

Use the buttons below to sign up to use the club equipment and still life studio located in the Photography West Club room at the Beardsley Recreation Center. The scanners, VHS Video transfer, Record and Cassette transfer, and Super 8 and 8 mm transfer can be used convert the old mediums to a digital form. They can be stored on a DVD/CD (available for purchase at the club or bring your own) or a flash drive. To use the Still Life Studio you must first pass the training. You can sign up for the training in the workshop signup.

4. Now click on “Create a new user account”

The screenshot shows the registration page for the Photography West Camera Club. At the top, there is a blue header with the word "Home" on the left, a circular logo featuring a person in a desert landscape, and the text "Photography West" in a large, stylized font, with "Camera Club of Sun City West, AZ" below it. The main content area is titled "New user for account SCWPhotoClub" and asks the user to "Please enter your details". A registration form contains five fields: "Email" (with the value "AAdams1902@GreatPhotos.com" and a red "1" next to it), "Password" (with masked characters and a red "2" next to it), "Full name" (with the value "Ansel Adams" and a red "3" next to it), "Phone" (with the value "415-555-1212" and a red "4" next to it), and "Rec Card Number" (with the value "00000" and a red "5" next to it). A note below the form states "* Indicates required field". Below the form, a message says "A confirmation email will be sent to the supplied email address". At the bottom, there is a red "6" next to a "Create" button and a "Back" button.
